

Sugars Night (The Sugar Series Book 3)

As the fall colors swirl around Lake Superior, Tula Sugar Walshs lodge is bright with new love, and new life. Shes happy being a wife, aunt, and sister until Van unknowingly begins a dance that will lead her back through the darkness of her past. Filled with doubt, Sugar struggles to trust her heart, and Van. On the outside she goes through the motions of daily life, but inside the darkness traps her, and she questions her priorities, doubts her convictions, and struggles with why. Sinking further into despair, Sugar sets out to ink a deal that will change her life, but unexpectedly runs into an old friend. All of her doubts and fears disappear when she looks into the eyes of his newborn son. It is in his baby that she sees the angels among us, and the path she must follow. Determined to show the world her light, Sugar, Van, and her angels step on the floor for the dance of a lifetime. When the music fades, and the lights come up, Sugar finds the answer to why, in the promise of faith.
