

## The Millionaires Wish (The Landrys Book 1)

It was the easiest deal in the world. All Allison Landry had to do was date software CEO Rick Hunter for a few months. In return, he'd help fund her financially strapped charity. How could a woman refuse? Especially when he came wrapped up in the most gorgeous masculine package Allison had ever seen. Footloose bachelor Rick had a reputation to uphold--but continuing his playboy ways meant losing the only home he'd ever known. Which made Allison so perfect--after all, neither of them was looking for a permanent relationship. Yet the beguiling good girl was soon making him dream about forever after--and Rick knew he'd do whatever it took to seal this deal with a kiss....
