Let me ask you a few questions. Answer honestly... ==>Do you get nervous when you think it might be time to approach a woman? ==>Or maybe youre out on a date and youd like to kiss a woman, but you dont want to screw up your chances by making a mistake? ==>Have you ever felt insecure because youre not tall, handsome, young, rich, famous, etc.? ==>Do you ever become immobilized with fear when you see a woman that youd like to approach, and by the time you figure out what to say, shes gone? ==>Do you ever become self-conscious and stilted when youre around a woman that you think is attractive to the point where you cant communicate normally? ==>Do you feel like women have all the power and choice when it comes to dating and you have little or none? ==>Do you feel like you dont know how to tell if a woman is interested in you? ==>Do you ever feel like you just dont get women when it comes to their interests, likes and dislikes, style, fashion, etc. and you dont even know where to begin? ==>Do you want to know everything there is to know about meeting women and dating before you feel like you can even start approaching women, getting more dates, etc.? ==>Have you ever felt self-conscious and embarrassed about your true desires and feel like women would be turned off if they knew what you were REALLY thinking? ==>Do you hate the idea of admitting to others that you feel insecure about this area of your life, and you really wish you could do all this yourself? ==>Do you get freaked out when women become upset, dramatic or bitchy and not know what to do? ==>Would you really like to meet an exceptional woman a woman who doesnt have any drama so you can share a great connection, great sex, and a great relationship but it just doesnt seem like this kind of woman is out there - or worse, even if she is, that she wouldnt be interested in

YOU? ==>Have you ever felt like just throwing in the towel and giving up because it seems like NOTHING will work and you should just accept it? ==>Would you like to start dating younger or more attractive women, but have no idea how to go about it? ==>Or are you already successful with women to some extent, but you'd like to take your success to the next level RIGHT NOW and start dating more attractive women with more consistency? Ill bet that you answered YES to at least one or more of those questions. How do I know all these? You might ask I know this because ALL men know, at an unconscious level, that if they know what say or do (as the case may be) at a certain situation that theyre more likely to get a phone number, email, BB PIN, date and close the deal with her. NOT knowing how to attract women feels bad. It sucks. It leaves you feeling like you have no power in your life. It leads to a feeling of loneliness and desperation. It leads to you feeling like a FAILURE AS A MAN. BUT On the other hand KNOWING how to attract women feels real GOOD. It feels good to not have to buy her things because you think you have to and it feels good not saying things you dont mean in the hopes that shell finally like you. It feels good to not freak out every time you see an attractive woman you would like to talk to, meet and get her phone number. It feels good to know how to make a woman feel ATTRACTION towards you so she chases you instead of you chasing her. It just feels good knowing you can go out and meet super-attractive women any time you want. And get this It not only feels good to YOU, it also feels good to HER and its WORTH LEARNING. Its an understatement to say that this book is JAM PACKED with step by step material. And its all locked and loaded for you to start using it right away. Dont wait. Dont procrastinate.
