

Praying with Paul: Scripture-based Reflective Prayer Guide Series Volume 3

Paul sets an example for us in our own prayers as he intercedes for other believers, pronounces blessings, or proclaims praises to God. His prayers set the tone for God-centered intercession and help us focus our prayers for ourselves and others on the things that really matter. As we reflect on these apostolic prayers and pray along with Paul, the Lord gives us glimpses of who he is and how much he loves us. This Prayer Guide is designed to be used for personal prayer by anyone who desires to pray more deeply, whether mature believers or those new to the Christian walk. A brief explanation of the Scripture-based reflective prayer model is followed by a journal-style guide which gives the reader opportunity to pray with carefully selected short Scripture passages.
