

Canadian Hook-Up: Gay Erotica

I dont want to hurt Gramps. I dont want him to find out Im not exactly an All-American boy Caleb is a gay virgin whose only experience is jacking off with his buddies. But all that changes during a fishing trip to Canada. His Grandpa Fred and Freds buddies, Herb and Lenny, are doing their annual fly-in fishing trip and Caleb is invited to take the place of one of their late friends, Charlie. If Caleb had any choice, hed have gone somewhere else with his own group of friends. But the trip turns out to be a wonderful journey, especially with three old farts who liven up each second on the road with their dirty jokes. Besides, Caleb quickly stops regretting the trip when he meets their young pilot, Aidan. Aside from flying them to the lodge, Aidan is also the dock-boy preparing their boats for fishing. Caleb and Aiden see each other frequently and they check each other out, neither of them ashamed to do so. Things come to a head when they surrender to one kiss, which soon leads to more. Aidan is irresistible, but Caleb is also afraid of anyone finding out about their relationship, especially his Grandpa, who will be hurt if he knew he had a gay grandson *A gay romance for mature audiences. SAMPLE: I stepped up to Aidan and we wrapped our arms around each other and began making out. His cock was pressing into mine and they both felt wet. I leaned down and sucked on his left nipple and he moaned. Oh yeah, he said. I worked my way down his belly, licking his flat belly and then I took his cock into my mouth and began sucking him. He held my head and I took his cock deeply into my mouth and throat. I had gotten over the gag reflex and could take nearly the whole damn thing now. I want to suck you, he said. I stood up and he sucked my nipple and then he bit it. I gasped when he did it but it was so sexual all it did was make me hornier. He took my cock in his mouth and did a hell of a

job getting most of it into his throat. He licked my balls and then went back on my cock. Caleb, I want you to fuck me, he said.
