

The Earl of Ice

Rollo Stannington, the Earl of Brockwood, is considered a wonderful catch by the mamas of the ton. He is young, handsome and extremely wealthy. What mother can resist having him as a son-in-law? If only their daughters didnt pale and tremble in his presence and beat a hasty retreat as soon as they could! Rollo, nicknamed The Earl of Ice because of his frigid demeanor, welcomes this reaction. He has no intention of marrying. Ever. Dianna Wells, a young debutante, is immune to Rollos coldness. Where other ladies stand tongue tied before him, she chats gaily and comfortably with him. She even enjoys dancing with him. No one knows that Rollo and Diana share a devastating secret. One that draws them together yet will ultimately test their growing attraction to each other
