

The Final Falcon Says I Do (Mills & Boon Cherish)

Mr. Right under her nose When Freya Falcon is jilted on her wedding day, the notoriously stubborn and brooding Jackson Falcon discovers a protective side brought out by this newly vulnerable woman. Freya is surprised by Jackson's behaviour. They've spent so long denying any romantic interest in each other that she hasn't seen how kind, thoughtful and downright gorgeous the man really is! But her heart is raw, and despite his charms, she can't quite trust him. It's up to the final Falcon brother to prove to Freya that he has indeed been Mr. Right all along.
