

The Girl at the Center of the World

In this fast-paced, exhilarating sequel to the acclaimed *The Islands at the End of the World*, Leilani and her family on the Big Island of Hawaii face the challenge of survival in the world of the Emerald Orchid, a green presence that appeared in the sky after a global blackout. As the Hawaiian Islands go back to traditional ways of living, people must grow their own food and ration everything from gas to bullets. Medicine is scarce; a simple infection can mean death. Old tensions and new enemies emerge. And one girl, Leilani, is poised to save her world.
