

# Daughters Of The Most High: Why Smart Girls Do Dumb Things And The God Who Loves Them

Some of the choices smart girls make can be downright SCANDALOUS. Daughters of the Most High are leaders in their careers, pillars in their communities, and fervent servants of Christ- but why do so many seem to fall prey to crucial and costly mistakes in their personal lives? Why do women who display so much power in areas of career, community, service and success still struggle to display this same power in other areas of their lives? In her highly-anticipated sophomore discussion, author and minister Nakilah Shannon daringly explores the most elusive topic for the modern spiritual woman. *Daughters of the Most High: Why Smart Girls Do Dumb Things, And the God Who Loves Them* offers the causes and the antidotes to the dumb choices that lead smart women into confusion. Whether you're the powerful executive who struggles with finding and keeping love, the spiritual leader who struggles with finances, the attentive mother who struggles with maintaining a healthy marriage or you're the woman struggling in some other area, you will be blessed and enlightened by the revelation that you can overcome these pitfalls. *Daughters of the Most High: Why Smart Girls Do Dumb Things, And the God Who Loves Them* guides you through biblical study, prayer and divine revelation to help you develop the tools necessary to break the bondage of misplaced faith and pursue your Father's plans for your life instead of falling victim to the pitfalls of unwise decisions. Remember, YOU are a DAUGHTER of the MOST HIGH, and your Father wants you to do ALL THINGS well so that you may live the abundant, fruitful life He planned for you before you were formed.
