

## Four Keys to Prosperity

GODS PROSPERITY PLAN for believers is brought to light in a practical yet profound way in this book. The balanced scriptural exposition uses the four keys to depict mental and spiritual laws of prosperity. The chapters are ideal for both personal reading and group study. The final three chapters (new to this edition) illustrate each of the four keys, using the well-known story of the prodigal son. Also included is an index to all the scriptures quoted. Start learning these four keys and how they operate, and get into the flow of Gods prosperity.
