

The Emotions of Jesus (Classic Reprint)

Excerpt from The Emotions of Jesus Nothing needs to be said by way of preface to this latest addition to the Short Course Series, except that it does not aim at being a treatise on the emotional life of Jesus, and that even the field indicated by its title is covered only in part. Other attractive and fruitful topics - such as our Lords delight in nature, the emotions arising out of His more intimate personal relations, His emotion in the presence of death, His shame, and the rich emotional content of the Passion-narrative - readily suggest themselves, but have had to be altogether omitted, or else are touched upon in a merely incidental way. Whether it may be possible to me at some future time to remedy this, I know not. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
