

The Lost Fountain

What if you could turn back Father Time and become younger? Noah, a 12-year old boy, and his two friends set out to find the fabled Fountain of Youth, believing it can save the leaders younger brother who is afflicted with Progeria disease (premature aging). Unbeknownst to the boys, however, they are in a race to find the fountain with a greedy archaeologist who is hot on their trail. With the ghost of Ponce de Leon on their side, the boys learn that if one truly believes, anything can be accomplished, and that even the most seemingly remote dream can be reached. The Lost Fountain is an uplifting, unrelenting tale for anyone considering himself a possibility thinker. The story is a timely expose offering hope and goodness to all ages, especially todays children and youth.
