

The Man and The Wall

Some time ago my mother-in-law was diagnosed with cancer. My then four year old son would pray each night for God to heal his Guh Guh of her cancer. I was completely torn as to handle this situation. How do you begin to explain to a four year old why a God who loves us would allow us to go through difficult things in this life? What if God did not choose, in His will, to heal her? How do you explain Gods love in His allowance of trials? I asked the Lord for His help, and He gave me The Man and The Wall. The question that was asked in order to help a four year old understand the actions of God is one that we ask no matter what age we are. The question is Why? Please remember that God never promises easy, but He does promise possible. This is the story of The Man and The Wall. The walls we find on our path, be it cancer, loss of loved ones, or a difficult circumstance of one nature or another can seem very much like walls that prevent us from walking the path the Lord created us to walk. These are not walls dear readers, these are steps that are perfectly designed to bring you closer in your understanding to the God who loves you. Our Walls are His introductions.
