

## Words that Make Jesus Smile

Have you ever wondered what someone might say - that would make Jesus smile? This is a delightfully intriguing thought. Surely our Lord would beam with pleasure, at the sound of wise, kind and comforting words. Similarly, utterances that were seasoned with love, forgiveness, confession, exhortation, gratitude and contrition, among others, would be sure to put a broad smile on the Saviors face. This book is chock full of such goodies. It is replete with everyday spiritual wisdoms, needed by every true Christian believer. Whether we're caught in the gale winds of trials and testings, or in the more balmy climate of peaceable and favorable circumstances - these sayings are a source of great comfort and encouragement - to ALL. At this time of the year, known as Easter, and far beyond, the truths contained within this book, will serve as both timely and Christ-centered reminders that can bring us into the very JOY of Christ Himself.
