

## My Own Personal Miracle: A Dramatic True Story of Deliverance

At 19 years old, after witnessing the miraculous healing of his premature born daughter Robert Ball had a dramatic conversion to Christianity. Although the healing he witnessed changed his life it also sent him into a world he knew very little about where he became prey for false teaching and a near cult-like church experience. After five years immersed in false doctrine, this worldview caused an almost complete destruction of his life. This true story explains not only how he got there, but takes us through a supernatural experience that eventually resulted in a dramatic comeback to a true and humble faith.
