McCauleys new book of poems, *The Paper Sail: Words of Faith and Inspiration*, digs deep into the very fabric and meaning of our walk of faith. Using focused and vivid imagery, McCauley relates both spectacular and everyday experiences to Gods grace. Ranging in subject from conception, devotion, and deliverance to faith, hope, and the glory of God, the poems are equally inspired by biblical verse and life itself. Come and share in McCauleys prayers and songs of devotion. His poems are prayers, yes, but McCauley also seeks to perceive the truth of faith and belief. *The Paper Sail* will challenge and inspire readers perspectives and awareness of life and its circumstances both here and beyond.
