

The Personal Finance Revolution

The Personal Finance Revolution How The Great Recession changed the way we view money, ourselves, and the world. Shines a light on the way this economic downturn has lifted us to a higher plane of living. It will share with the world how people are living life on their own terms in the new economy- creating more freedom and fulfillment than has ever been possible before. The book includes concepts and case studies of non-traditional decisions that have empowered people to live their best life.
