

The Psalms: A Historical and Spiritual Commentary

No one is more qualified to write on the Psalms than John Eaton. He is a distinguished Old Testament scholar and has spent a lifetime studying the Psalms. This commentary is addressed to the wide readership. There is a long and highly readable introduction giving a background to the Psalms; then follow the 150 Psalms, each in Eaton's translation. He explains the background to the Psalms and their content in a way which makes them interesting and relevant to the present. The discussion of each psalm ends with a related Christian prayer, either from the tradition or written by Eaton himself. John Eaton is recognised as one of the world's leading experts on Psalms: this commentary is the culmination of his life's work.
