

## Magickeepers: The Pyramid of Souls

It was stolen from Alexander the Great. To keep it safe, Edgar Allen Poe bargained away his sanity. And somebody suckered P. T. Barnum to get their hands on it. Its the most closely guarded secret in the magician community. And its missing. What would you do to protect your family from an ancient pyramid capable of stealing your very soul? Nick Rostov finally has the life hes always dreamed-and hell do anything to protect it. Nick has only now discovered he is part of an extended Russian family of magicians: the Magickeepers. He lives with his eccentric new relatives at the Winter Palace Hotel and Casino in Las Vegas, where they perform daring feats of magic to a packed house. Real magic. But Nick and his family face a new danger in the form of a stolen relic, the Pyramid of Souls. The tiny pyramid has traded hands many times throughout history. Its power can steal a magicians very soul. Nick knows who took it: Rasputin, leader of the Shadowkeepers. Using his unique ability as a Gazer-one who can see into the past-Nick enlists his cousin Isabella to help him find it. Soon, the two are hot on the evil sorcerers trail...until Isabellas soul is trapped by the very relic theyre trying to find. Nick will do anything to rescue Isabella and recover the Pyramid of Souls. But will it be enough to save his family?
