

The Storm Master: Letting God Take Control

The Storm Master: Letting God Take Control was written from personal experiences that led me closer to Christ. I had hit a storm of hurricane proportion, total rock bottom with nowhere else to turn BUT to Jesus. Many times we don't know how to face a storm head-on, but with God on our side, NOTHING is impossible. No matter what situation you are in, no matter how bad it may seem, The Storm Master, Jesus Christ, CAN and WILL take over and calm whatever storm you are facing. You have to LET Him by trusting that He has the power to do all He promises. Jesus wants to calm your storms, so LET Him! He is the Ultimate Storm Master.
