

The Garments of the Priests (TEMPLE BUILDERS)

From the days of Adam and Eve when Gods glorious covering was lost, God has always intended to cover mans nakedness with His glory, in order to reestablish mankind in its original position of worship.

He is looking for true worshippers; those who worship Him in Spirit and in truth originating from His very presence. Every believer in Christ has direct access to God, with the church being a fellowship of priests serving together under the Lordship of Christ. These truths are affirmed by most pro-fessing Christians. And just as the concept of priesthood is integral to both the Old and New Testaments, so also the parallel between the garments of the priest (as described in the book of Exodus) and Christian character deserves close attention. Understanding this parallel will help us to fully perceive the profoundness of Gods unchanging message to His beloved children from generation to generation.
