

The Three Strategies of the Unstoppable Woman

This is a book especially for women on the verge of an entrepreneurial adventure. Unstoppability is being determined and knowing when to bend; its having your own vision and blending it with the insights from the caring others you surround yourself with; its living this one sweet life youve been gifted with as though it were your own. This book cant change your life. No book can do that. What it can do is give you three solid foundational strategies upon which all subsequent learning can be structured. These three strategies are the blueprint to your success. Accountability. Collaboration. Initiative. The rest is up to you. The Three Strategies will show you how to navigate the abyss between what is and what can be by giving you the ultimate tools that let you: * Take control and be in charge * Sharpen your clarity and the purpose of your vision * Lose the excuses and achieve your aspirations * Intensify your influence * Expand your network * Unearth your unstoppable self * Attain heights greater than you imagined possible
