

The Two Hounds [Freeway at Night 1] (Siren Publishing Menage Amour ManLove)

[Menage Amour ManLove: Erotic Alternative Paranormal Menage a Trois Romance, M/M/M, shape-shifters, HEA] Casey Martins, a homeless young man, is rescued by Leonard Kill and William Murder. The two handsome men help him recover and quickly express why they fell for Casey. Even though his new home has a fierce man who doesn't want him there, Casey does what he can to stay with Leonard and William. Leonard Kill, with the Water element, is the first to fall for Casey. Although his stepfather doesn't approve of their relationship, Leonard insists that Casey is the one. He is afraid to express his true feelings for Casey, and he doesn't want to push his lover away. William Murder, with the Fire element, has no fear of showing his love for Casey. Along the way, they find out that Casey isn't a normal human, after all, but he and Leonard refuse to let Casey help them against their dangerous opponent. Together, they face an enemy who wants to stop Leonard and William from incarcerating criminals. Note: This book contains double anal penetration. ** A Siren Erotic Romance
