

## The Way of Discipleship

Follow my example as I follow the example of Christ. - 1 Corinthians 11:1, NIV

Jesus walked the shores of Galilee and called ordinary fishermen to drop their nets to follow Him. Follow me wasn't a suggestion, but a summons from the very Son of God. In response, they left everything known and comfortable to live with Jesus, learn from Jesus, be launched by Jesus to go and make disciples in His name. Their lives and this world has never been the same. Jesus still calls ordinary people by name to follow him. The problem is many churches today are filled with people who claim to believe in Jesus, but whose lives don't reflect his character and calling. Many fans. Few followers. Many believers. Few disciples. That needs to change. Which is why the leaders of Grace Church focused their efforts in 2010 to launch the Way of Discipleship to aggressively respond to the Great Commission to go and make disciples of all nations. The Way of Discipleship is a time-bound, intentional relationship focused on learning and embracing 11 essential practices to following Jesus Christ. The Way of Discipleship engages one person (a discipler) who invites another person (a disciple) to follow them as they follow Christ. The Way of Discipleship shapes our character (who we are) and our calling (what we do). Like a tree, the Way of Discipleship roots us in Christ, provides stability to weather the storms of life and branches out to bear fruit in our lives. This resource is a tool to facilitate this relationship over a period of one-to-three years to integrate these practices into one's life and prepare the disciple to replicate it into another relationship. It will be costly, but the cause is worth it more than anything else the world has to offer.
