

The White Wolf: The Hawks: Book Three (Volume 3)

Growing up in the frozen land of Nairtkun, Venadis always dreamed of escaping her life of slavery. Her opportunity comes when Martokallu recruits King Norgriths armies for his fight against the Hawks. Fearing her powerful magic, Venadiss masters force her to wear an iron collar. When she breaks free, the Hawks offer her their protection and under Kunnegardes instruction she begins to train her magic. Martokallu is determined to take his place as the rightful King of Abbarkon but Flint, Fleta and the Hawks will do everything in their power to prevent that from happening. Will it be enough?
