

## The Zebrafish: Cellular and Developmental Biology, Part B: Cellular and Developmental Biology, Part B: 134 (Methods in Cell Biology)

This volume of Methods in Cell Biology, thesecond of two parts on the subject of zebrafish, provides a comprehensive compendium of laboratory protocols and reviews covering all the new methods developed since 1999.\* Details state-of-the art zebrafish protocols, delineating critical steps in the procedures as well as potential pitfalls\* Illustrates many techiques in full-color\* Summarizes the Zebrafish Genome Project
