

Thirst

2nd Edition A dark killer haunts the streets of Los Angeles, stalking unwilling victims and draining their blood. When the evidence runs dry, Detective Max Bowman quenches his thirst at his local bar hoping for inspiration. Instead, hes robbed and left for dead in the alley. Waking up in the warm bed of horror novelist Carter Gray was the last thing he expected, but it may be the lead he needs. For Carter hides a dangerous secret behind his life as a bestselling author and it might be the answer, no matter how unbelievable, Max has been looking for. But as they search for the killer, Max begins to wonder if hes being led in circles by a mastermind of plot twists and deception. 1st Edition published by Silver Publishing, January 2012
