

To Protect a Princess (Mills & Boon Intrigue)

Logan Burke was no hero... But Roma princess Dara Adams--the sole survivor of her royal family--needed the legendary guide to help her restore an ancient artifact to her people. Instead she found this enigmatic half-Gypsy with desire smoldering in his eyes and a secret sorrow in his soul. Logan had vowed never again to take a woman across the treacherous mountain terrain. But with a sniper on Daras trail, the sexy loner had no choice but to sweep her from harms way. As they went in search of a hidden Inca city, they journeyed deeper into the heart of danger--and discovered a passion that could be their undoing....
