

## Touched By A Hero: A 9/11 Widows Journal of Love & Legacy

Touched By A Hero is the inspirational journal of Susan Rescorla, whose husband, Retired Army Colonel Rick Rescorla, sacrificed his life to safely evacuate nearly 2,700 people from the World Trade Center during the 9/11 terrorist attacks. Ricks heroism, as Morgan Stanleys Second Vice President for Corporate Security, continues to inspire others even 10 years later. Touched By A Hero explores the transformation of Susans personal tragedy into a story of patriotism, and is a testament to the healing power of an international community dedicated to preserving the legacy of a genuine American hero.
