

The Prey In A Trap

Edison falls in love with Emily, a beauty queen and a classmate, in a university. Nevertheless, it turns she does not love him. Later, Emily falls in love with someone else, called Derrick and the two agree to get married. Edison then becomes lovesick and jealous of Derrick. Meanwhile, Edison suddenly comes to know a secret that was hidden for over two decades and he now wants to take an advantage of this. He then intrudes on Emily and Derricks wedding ceremony, in a church, and reveals the secret before their parents and the cordially invited guests. What is the revealed secret? What happens next? Please, read on the rest.
