

Treasure In The Woods

Jen and Marc have been buds since the fourth grade. Now sixteen, he's a quirky genius who loves history, the outdoors and old music, and thinks twitters and tweets are for the birds. She's a trendy, vivacious soccer player who likes shopping, iTunes and the latest techno-gadgets, and keeps her nose - and her attention - firmly buried in her devices. This odd couple teams up for a Florida history project that brings them face to face with an 88-year old piece of living history who loves The Simpsons and the Big Bang Theory, and takes them into the shadowy back woods of central Florida where they find adventure, surprises - and feelings - they never knew existed.
