??,????????????????????,????????????????, ?????????????????,???????????????????? ??????????,????????????????????,???????????? ??????????,????????????????????,???????????? ??????????,????????????????????,????????????,???????? ??????,????????????????????,?????????????????,? ?????????????????,????????,?????????The life of women is all about marriage. How a woman chooses and manages her marriage will determine her life quality and destiny. Therefore, it is very important for a woman to understand marriage and learn the skill at managing marriage in advance. With kind and natural text and many life examples, this book provides formulas to get access to a happy marriage for young women. The author started from the professional point of view of an emotional counselor, put forward unique points of view for the most frequently encountered problems and disputes in marriage, and gave corresponding guidance to help the unmarried female to understand the truth of marriage in advance and to teach married women to manage their marriage. This book aims at helping the female to gain faithful love and get a happy marriage and a perfect life at the same time.
