

Walk with Jesus

This book was formerly called, A Personal Walk in the Presence of Your God. Jesus wants a personal, life-changing relationship with you! With a mix of personal stories, Biblical examples, and practical steps, this book is a guide to a vibrant faith walk. Throughout the chapters the author includes insights from his own experiences, during hiking and prayer walking, as well as discusses the detours and biblical guardrails believers encounter along the way. An inviting read for anyone who wants to start a personal walk or improve their relationship with God, who doesn't need you to do anything for Him, but simply wants you to do everything with Him.
