

Comfort For The Weary Heart

As a child, Veronica was deeply affected by her parents marital conflict and frequent escalations of violence. And being raised in a salvation by works religion, Veronica developed a distorted view of God and His love. Following her own failed marriage, she struggled with balancing single parenthood and a career. Crying out to the Lord at a critical time in her life, she experienced salvation, the powerful infilling of the Holy Spirit and a wonderful revelation of Father Gods love through Jesus Christ. It is this love of the Father that she desires to communicate to others. Having turned her life fully over to the Lord, Veronica has functioned in Church Leadership positions as Business Administrator, Bible Teacher and Board Member and is currently a Licensed Minister serving as Pastor of a small church in Northern NJ. Veronica has one son and twin grandsons, also residing in NJ.
