

Walking Sin (Men With Tools)

Third in the Men With Tools series. Dax Coleman has it all--money in the bank, a job he loves, and an address book filled with the names of women who only want a good time. He's never had a problem charming a woman into his bed. He meets his match when Kelcey Ewing comes to Lanville. A former roommate of his brother's girlfriends, Kelcey is as serious as Dax is carefree. He considers it his personal goal to loosen up Kelcey so she has fun, preferably in his bed. An unforgettable incident in her life has left Kelcey wary and unable to have a normal relationship with a man. She decides she's destined to be alone, until Dax's lovemaking wakes up her senses. Kelcey's unwilling to risk a broken heart with a man she considers walking sin. It's up to Dax to prove to Kelcey his love for her is real and will last the rest of his life.
