

## 150 Days of Praise

At some point in his life, Job learned to praise God during the difficult circumstances that came his way. He knew that his blessings came from God and that it was not his own ability that produced his prosperity. By directing his thoughts and his confession on God, Job's faith was increased, his thanksgiving abounded, and Satan was unable to destroy him. Do you have the kind of faith in God that produces praise through every circumstance? As children of God, we have to learn, as Job did, to cultivate that attitude of praise in our lives. 150 Days of Praise will change your life as you learn how to practice praise, bringing victory to the believer, defeat to Satan, and a greater intimacy with God -Jelly Valimont (1st lady at Griffin First Assembly) LOVE: Our love level with God grows in moments of intimacy. Intimacy is such a warm word. It means you get close, cuddle up, and you experience each other in private ways. Intimacy with God means you climb up in His lap, He whispers sweet words, and your heart heals from wounds and pain.
