

Stock Market Secrets

In Stockmarket Secrets, Marcus Padley tells you how to survive the lows and manage the highs; how to make the most out of the stockmarket. He doesnt pretend and he isnt selling product. What he offers is intelligent and practical advice on the right and wrong reasons to invest. Since 1998, Marcus Padley has been writing about the stockmarket with the interests of the private investor at heart. Stockmarket Secrets is an insightful, honest, straight-up account from one man who has lived and breathed the stockmarket, day in, day out for more than 27 years. Its about the journey he has been on, the people who have travelled with him and the experiences they have had. Inside Marcus Padleys Stockmarket Secrets, youll learn: The truth about the stockmarket, from a brokers desk. A practical guide for self-managed investors and traders. The pitfalls and traps of doing it yourself. There are no stupid questions. Insider tips on how the industry works, and the ins and outs of broking and trading. The stockmarket journey how to seize the day, find the balance and enjoy the view. Insightful advice and tips, written in an entertaining and engaging style.
