

Whatever Happened to Worship?: A Call to True Worship

A.W. Tozer calls God the Composer of the Cosmos, the Chief Musician of the Universe. God signals the birds to chirp their beautiful tune in the coolness and tranquility of a spring morning, simply because that is what He designed them to do. Each note is wonderfully constructed by God, uniquely bringing praise to His name. With this inspiring perspective on worship, Tozer invites readers to take a deep look at the ways in which we worship and why. He reminds us that we were created solely for this purpose and that worshipping the Father and seeking His fellowship is our primary task. It is also His delight. The newest revised edition now includes *Worship: The Missing Jewel* of the Evangelical Church, first published in the *Alliance Life* magazine in 1965, and still so profound today.
