

Whispers of Innocence

Enoch Smith, a psychotic cult leader, uses more than his flock to execute Gods wrath on a sinful nation. Drake Elliot, US Marshal, returns to Arizona to find those responsible for injuring his son and maiming himself during a violent act to silence an informer. Micki Lewis, a journalist in Tucson, receives a tip regarding the origins of the latest drug to hit Alta Vista, home of Enochs Children of God community. Drake and Micki join forces to uncover the cults secrets and its success helping children like Drakes son recover normalcy. What they find is far worse than drugs coming across the border and provides answers to the shadows that haunt their dreams.
