

Retribution (White Rose Series Book 2)

They wouldn't see it coming. Believing the dangers of the past were behind them, FBI Assistant Director Warren Pearce and his wife Beth savour the peace they have found. But the secrets they had thought buried re-emerge to threaten a friend, and take control once more. With the secrets power to destroy their lives, they must keep their search for answers hidden from the FBI. Warren joins his friend Sam, an ex-FBI agent turned private investigator, to identify and stop the culprit before the promised acts of reprisal can take place. As the threat intensifies against them all, Warren must uncover the source of evil, and halt it, before the horrifying final act of Retribution.
