

WISH UPON A STAR

Justine Hathaways clock is ticking. She is a journalist for World Magazine in NYC. Her Irish hunk of a man is Devon O'Reilly. He is a lawyer. After five and a half years together, Justine is not sure about her future. Her life has become a quandry of sorts. Her co-worker Elaine Bowers is not helping. Befuddled she heads back to her Vermont roots for some R & R. Justine has stepped on a few toes, and in her line of work it doesnt make for friendships. Sometimes revenge waits in the shadows. Devon is of the meticulous sort, and Justine is more of an adventurer type. Their relationship sometimes takes on water so to speak. Like other young people, Justine and Devon will learn to swim or not. Their passion for each other entertains and at the same time throws us in the midst of their journey.
