

Stormy Nights [Red Hook, Texas 3] (Siren Publishing Classic)

[Siren Classic: Erotic Contemporary Romance, HEA] Jasmine Garrett was ready to start her life over. Red Hook and her aunts antique store gave her the opportunity to leave her cheating ex-boyfriend behind in a new town. This time she would concentrate on her career and not men. Arriving in town during a spring storm was just bad luck. Meeting Deputy Drake Lopez was a dangerous temptation she did not need. Love only hurt. Drake Lopez liked his life the way it was. So what if his friends were falling in love and settling down. He had no plans to do the same. Meeting Jasmine Garrett started him wondering if maybe love wasn't such a fairytale. She made him feel things he did not believe existed. The only problem is getting the stubborn Jasmine to believe he is serious about her. A jealous and malicious ex-girlfriend does not help the situation any. Will Jasmine let her guard down long enough for him to prove his love? ** A Siren Erotic Romance
