

Wyoming Dreamer

Page Chandling has left an abusive marriage and impulsively set out for Wyoming filled only with the ideals she has read about in her beloved fiction novels. Page gets her eyes opened to the realities of a harsh land and the people who conquer it. As she grows into a strong woman in her own right, she finds she has fallen in love with a struggling cowboy with plenty of baggage of his own. Ride the roller coaster of life with Page as she explores new horizons and relationships in what was once The Old West.
