

You can really grow

God does not want us simply to survive in our faith. He wants us to thrive, to enjoy growing as part of his family. Many of us want to grow, but don't know how to. Many of us feel stuck in a rut in our faith, or are following routines that don't seem to work. John shows us what growth actually is why growth is hugely exciting and how to grow into the people we long to be. You can really grow, and this book shows you how.
