

Zach and Mary

There is a lot about which Zachary Michael Martell was ignorant or naive: British Columbia, DeHavillands, fiords, a lady in trouble, strangers become friends, priorities, sacrifices, what it meant to want but not be allowed to have - to name but a few. Perhaps this story is as Zachary Martell's time in school, for indeed, he learns many things: about life, about strengths and weaknesses, about others about himself. A story lived over thousands of miles, but seeking only a single goal, follow Zach as he tenaciously chases his dream, and along the way, learn of his ups and downs, but more, of his dominant spirit and stubborn determination and wondrous ability to love. A peculiar door to the life he will eventually live, it all starts with found money a lot of it! My, but the secrets that money doth shield!
